

MAKING A REAL DIFFERENCE

Picture this: A family facing the loss of their home is able to avoid eviction, thanks to the support of a caring community.

That is the power of our annual golf tournament.

Every dollar raised directly ensures that people in crisis have access to safe, stable housing when they need it most.

Together, we're turning hope into action—and you can too.

“

VERMONT HAS THE 4TH HIGHEST RATE OF HOMELESSNESS PER CAPITA IN THE U.S.

”

HCRS is a non-profit community mental health agency that supports more than **4,000** people across Windham and Windsor counties every year.
